Vickery may use Customer Personal Information to send marketing and advertising messages related to our own Services and Site using Customer's email address, postal address, or telephone number (for voice, texts, automated and pre-recorded calls).

Vickery may deliver a marketing or advertising message based on Customer visits to Vickery website, which will be general advertising or "Contextual Advertising," which is advertising based on the subject matter or the content of the specific website page or subject matter.

Vickery may also send Customer "First Party Advertising," which is advertising or marketing that is customized or personalized based on a history of Customer's use of our Services (possibly combined with information from our Facebook fan page or other social network platforms). Also, if Vickery (or Vickery’s assets) are acquired, or Vickery goes out of

business, enters bankruptcy, or goes through some other change of control, including restructuring, re-organization or financing arrangements, Personal Information could be one of the assets disclosed, transferred to or acquired by a third party.
